“When I Lost You”

I wish I could see you one more time
Come walking through the door
But I know that is impossible
I will hear your voice no more.
I know you can feel my tears
And you don't want me to cry
Yet my heart is broken because
I can't understand why someone so precious had to die.
I pray that God will give me strength
And somehow get me through
As I struggle with this heartache
That came when I lost you.

We Will Love You Always, Your Family

“As We Look Back”

As we look back over time
We find ourselves wondering
Did we remember to thank you enough
For all you have done for us?
For all the times you were by our sides
To help and support us
To celebrate our successes
To understand our problems
And accept our defeats?
Or for teaching us by your example,
The value of hard work, good judgement,
Courage and integrity?
We wonder if we ever thanked you
For the sacrifices you made.
To let us have the very best?
And for the simple things
Like laughter, smiles and times we shared?
If we have forgotten to show our
Gratitude enough for all the things you did,
We're thanking you now.
And we are hoping you knew all along,
How much you meant to us.
From Your Loving Children Daddy
