Obituary

Susan Marie (Madsen) Cicala, age 60, passed away on Saturday, April 4, 2020 at Clara Mass Medical Center in Belleville, New Jersey. Susan spent the past 38 years serving her community as a nurse, always putting others before herself in all she did. Most of all, she was a loving, supportive mother to her children, who were her pride and joy.

When she was not helping others, Susan loved traveling, having visited 30 of the 50 states. She particularly loved to visit Walt Disney World in Florida to ride the Haunted Mansion and Space Mountain and eat around the World Showcase in Epcot. She enjoyed reading and crocheting, but most of all enjoyed spending time with her family attending the New York Renaissance Fair, escape rooms, and exploring new places and restaurants.

She is survived by her husband, Steven, her two children, Stefaney and Steven, their spouses, Justin and Gabrielle, her grandson, "snuggle bug", Justin Steven, and her beloved dog, Squirt. She is also survived by her sister Lori, nieces Kira and Breann, and nephews James, Nicholas, Alexander, Daniel, Logan, Sean, and Gerard.

Private arrangements were held under the direction of the Parow Funeral Home in North Arlington. A memorial service and celebration of Susan's life will be held at a later date.
